CAR PARKING

The closest car park to the Art Museum is car park 5. If this is full, we recommend parking in car park 1, 2 or 3 and following the 'Lake Path' to the Social Sciences North building.

You must pay for parking when parked on campus from Monday to Friday, 6am – 6pm. Parking is free on public holidays and weekends, but you must be parked in a general marked parking bay at all times. Reserved, disability, loading zones and signed 'at all times' parking areas are monitored 24/7 and are not general marked parking bays.

There are two options for short term parking on campus:

1. Use the [CellOPark app](#) for hourly, hourly capped (daily) and 30 consecutive day parking.
2. Use the visitor parking machines in car parks 4, 5, 6, 9, 12 and 13 at visitor rates of \$2 per hour uncapped. Please note, car park 12 is \$4 per hour for visitors.

To use the parking machines follow the prompts on the parking machine to enter your car licence plate details, then use your credit card (or credit card with debit function) to pay. The parking machines are ticketless, so there's no need to return to your car after you have paid. To obtain a receipt, follow the prompts on the parking machine to enter your email address. Take a photo or write down the url and the receipt number, then obtain your receipt online.

CellOPark app enables you to use your mobile phone (or any internet connected device) to start and stop a parking session. You can also use CellOPark through a PC through the [CelloPark website](#) and or by calling CellOPark on 1300 467 275 (1300 GO PARK). You can add up to three cars in CellOPark. To ensure you have a valid parking session, make sure the licence plate of the car you have on campus matches the active car in the CellOPark system at all times.

For more information visit: <https://www.flinders.edu.au/campus/bedford-park/parking>

PLEASE NOTE: Allow extra travel time due to Darlington upgrade affecting traffic on Main South Road, Southern Expressway and Sturt Road.

PUBLIC TRANSPORT

Buses depart and arrive via Registry Road, Flinders University. On arrival please enter the Student Hub and take the lift or stairs to Level 2. Walk through the library passageway and continue diagonally across Humanities courtyard. Enter Social Science North through the automatic sliding doors and the Art Museum is located at the end of the hallway on the ground level.

Follow blue dots on campus map.

Adelaide Metro can assist with planning your journey and timetables:
